

WOAC

Camp Phoenix, Afghanistan Chapter

Minutes for August 6th, 2010

CW4 Samson, President, opened the meeting at 0900 on August 6th, 2010. The Chapter resolved some financial compensation to CW4 Sampson for the coin purchase. CW2 Mattfield asked if there was any information back from the Association regarding sponsoring coins. CW4 Samson said that he hasn't heard anything from the Association regarding coins and dues refund.

CW2 Mattfield asked CW4 Alan has heard anything back from the silk screening for the WOAC Chapter shirt. CW4 Alan said that she got a quote from one vendor but waiting to get a quote from another vendor.

CW4 Alan brought up the results from the meeting of the Warrant Officer Career Night. The committee named the event "Warrant Officer Career Night" and recommend October 14th from 1700-2000 at the DFAC. CW2 Mattfield mentioned that he had heard from CW2 Moore. She said that October 14th should work for her to come over for the event. Discussion followed on how to best advertise and steer the people to the event. Suggestions for advertising were putting up information on the Command channel on AFN as well as putting up flyers at the PX, Gym, DFAC and BBQ shack. On the night of the event having placards on the tables and butcher block DFAC maps showing the location for the event. The next meeting for the committee is set for August 13th at 0900-1000. CW4 Alan asked that if anyone is interested to stop by.

CW2 Mattfield mentioned that the VTC here in Phoenix is currently configured for SIPR. He asked if CW4 Ewert could coordinate with CW5 Duba, SD State CCW, on if that would work for us dialing into the WOPD. CW2 Mattfield did propose that we could always utilize Skype to make an appearance at the conference. CW4 Ewert said he would check with the Command Chief and see what he wanted to do. Discussion was brought up regarding a previous motion to reschedule the last meeting in August to coincide with the WOPD in South Dakota. It was pointed out that participation in the VTC will either be late or early in the day. CW2 Mattfield recommended that we look at reconsidering having our regularly scheduled meeting and that those wishing to make an appearance at the VTC just show up.

MOTION: CW2 Mattfield motioned to have our regular scheduled meeting on August 20th and not coincide it with the WOPD in South Dakota and that those wanting to VTC into the WOPD could just do so. Motion was 2nd by CW3 Nelson and motion carried without discussion.

CW4 Dressler mentioned that CW4 Ewert's promotion is pending as they just received state orders on it. CW2 Mattfield confirmed with WO1 Dungey that the DFAC was locked in on making a cake for him.

Discussion followed on different experiences the senior Warrants have had with Senior Staff course. There was some talk about OIL "Observations, Insights and Lessons learned" paper that they had to write. A lot of briefings, on working in small groups, project management and World events.

Meeting adjourned at 0955 on August 6th, 2010 by CW4 Samson.
