

Hello Fellow Warrants,

5 February 2010

The warrant officer luncheon held on 3 February 2010 at the Cajun Inn dining facility had a good turnout of warrant officers to attend it. The following photograph shows some of Fort Polk warrant officers. The photographer is also a Fort Polk warrant officer.

After the warrant officers consumed some fine cuisine prepared by the Cajun Inn DFAC team, a few topics were discussed amongst the warrant officers. The topics discussed were USAWOA membership, reviving the USAWOA chapter in the Fort Polk area, appointing elected members within the chapter, mentorship within the warrant officer ranks, and the May 7, 2010 Warrant Officer Call due to be held on Fort Polk at the Warrior Community Center.

With the above information mentioned, it is vital for the warrant officers of Fort Polk and the surrounding area to help with the revival of the USAWOA chapter for the Fort Polk area. One of the best courses of action to do this is to get as many of our fellow warrant officers to become members, renew, or rejoin the USAWOA. The warrant officer should become a member of the nearest USAWOA chapter in their area as either an appointed Officer elected or a regular member in the community they live once they have become a USAWOA member.

In closing, thanks go out to the warrant officers who attended the luncheon and those who want to but had other commitments. The next possible warrant officer luncheon/meeting is 4 March 2010 with the time and location to be determined along with the topics for discussion. There is hope to see more warrant officers attend these type of meeting in the future as the word gets out. Thanks everyone and have a great day.

CW3 Smith, Michael
