WOW! Warrant Officer Women's Mentorship Lunch

CW4 Nicole E. Woodyard (915E) , President of the Fort Hood "Silver" Chapter and CW3 Sheleana Stewart (920B), Memorabilia Chairperson hosted a Mentorship luncheon for the Female Warrant Officers in the Fort Hood community.

CW4 Woodyard states, "This was necessary. It gave the senior Warrants and opportunity to create a foundation, provide guidance and direct mentorship, while opening a line of communication and availability to the junior Warrant Officers. Simultaneously, the junior Warrants were able to ask specific questions about officer-ship and professional development and it created a network that can now only be strengthened."

We were able to interact with (Female) Warrant Officers that we may not have otherwise had the opportunity to meet with. The diversity in ranks, time-in-service, and MOS's only proved the validity of why this small demographic of Soldiers was vital to bond (Female Warrant Officers make up less than 9% of the Active Army Warrant Officer Population. The Warrant Officers that attended the Mentorship Luncheon ranged from W01-CW4, MOS Series 915E, 890A, 920A&B, 948B, 140E, 882A.
